## Resetting a Password in OhioDD.net

Go to your Inbox and open the email from OhioDD.net. Click on the Reset Password link.

This will open a page where you can create the password. The user ID will already be entered. Fill in the Password, then confirm the password, then click Reset.

The image shows the "Reset Password" page of the OhioDD.NET website. At the top is a blue navigation bar with the OhioDD.NET logo on the left and "Home" and "About" links on the right. Below the navigation bar, the heading "Reset Password." is displayed in a large blue font, followed by the instruction "Enter your new password" in a smaller blue font. The form consists of three input fields: "User Id:" with the value "angie1234", "Password:" which is currently empty, and "Confirm password:" which is also empty. At the bottom of the form is a blue "Reset" button, which is highlighted with a red rectangular box.
